## Our Community

The Nevada Joint High School District is located in northern California approximately 60 miles northeast of Sacramento. The district is located in Grass Valley, a small Gold Rush community in the foothills of the Sierra Nevadas. It is idyllically located just hours from the cultural, recreational and entertainment centers of Sacramento, Lake Tahoe and San Francisco. Situated in the southern part of the county, Bear River High School neighbors a beautiful residential lake community fed by its namesake river. The NJUHS district serves over 3,000 students, from 9 diverse elementary and middle schools.

## On Campus Activities

- a state-of-the-art performing arts center
- a beautiful aquatic center
- numerous AP classes
- over 20 clubs and 19 sports
- national award-winning agricultural department
- many performing arts and fine arts opportunities

BRHS CEEB Code 051092

## Our School

Bear River is a small comprehensive high school that serves approximately 700 students in grades 9-12. Built in 1986, it was designed to serve the residents of southern Nevada County, in its rural setting. Bear River High School was recognized as a California Distinguished School in 2001 and 2009. During the last five years, the school has become a model program for Professional Learning Communities implementing teacher collaboration, pyramids of intervention, and common assessments. In 2017, Bear River was recognized as a California Gold Ribbon School demonstrating exemplary achievements in implementing state standards in priority areas.

*The mission of Bear River High School is to provide a positive learning environment, a variety of opportunities to develop a solid educational background, and the tools to enable students to become productive and adaptable members of an evolving society.*
