Welcome to Bear River High School! The faculty, staff and administration support the philosophy that students have the right to learn in the best possible atmosphere. School should be an orderly and safe place, one where young adults will want to be because they believe that their rights and feelings will be respected by others. The school personnel believe it is reasonable to expect students to arrive at school with the good citizenship necessary for the orderly conduct required on campus and in the classroom. We look forward to another stellar year at Bear River with our outstanding student body.

- May not have more than 6 tardies per semester
- May not have any trancies
- No behavior referrals
- Must be a full-time BR student

How it works:

- Students may be allowed to waive a final exam in a class where they are receiving an "A" grade.
- The California University system does not allow the skipping of honors or AP finals.
- Students may not use an AA pass for the same class two consecutive semesters.

** This program is subject to be suspended due to COVID.

ACADEMIC HONESTY/PLAGIARISM

Bear River High School is dedicated to providing students with an environment that encourages academic honesty and integrity. Academic honesty requires that students produce work that is their own. Students are to be aware that cheating, plagiarism or other acts of academic dishonesty will not be tolerated. Students who participate in acts of academic dishonesty will be subject to appropriate disciplinary action.

Academic dishonesty/plagiarism can take many forms, including:

- Electronically sharing one's work with other students
- Submitting another student's electronic document as your own
- Multiple students submitting the same work on an individual assignment (as opposed to a group assignment or project)
- Copying and pasting any portion of another person's work into your own document, particularly without properly citing the source
- Modifying or paraphrasing content from another source without citing the source
- Showing your answers to other students or looking at another student's answers/responses
- Including words or images found on the internet in one's work without properly citing the source

Please visit this University of Oxford resource for additional information about plagiarism and its many forms: <https://www.ox.ac.uk/students/academic/guidance/skills/plagiarism?wssl=1>.

Bear River High School uses a program called Turnitin.com, an electronic service to help monitor plagiarism. This online tool compares student papers to a database both of papers submitted by other students and to sources on the internet, and plagiarism software/resources. Papers that students submit will become part of the "Turnitin.com" plagiarism detection database.

Consequences:

Students who cheat, plagiarize, or are involved in academic dishonesty will experience the following consequences (cumulative for the duration of enrollment at Bear River):

- 1st Offense: Grade of zero on the assignment without opportunity to make up the assignment, parent contact, and educational intervention.
- 2nd Offense: Parent meeting, possible withdrawal/fail in course, behavioral agreement, and possible 1-5 days of suspension.

ALL ACCESS PASS

An All Access Pass may be purchased in the Student Store at a cost of \$65. With an All Access Pass, students receive the school year's themed t-shirt, a class t-shirt, free admission to all home athletic events (CIF play-off games/events not included), and free admission to the Fall Homecoming Dance, Winter Homecoming Dance, and Last Chance Dance.

**The All Access Pass program is subject to change due to COVID.

ATHLETIC ELIGIBILITY

A student athlete must meet both the NJUHSD and CIF academic eligibility standards. Each student must have recorded a minimum of a 2.0 GPA during the quarter grading period prior to athletic participation, and be enrolled in at least 20 semester periods of work. A 2.0 GPA must be earned at each quarter grading period throughout the athlete's sport season. In addition, an athlete who has two grades of "F" in the last quarter grading period is ineligible to participate (practice or play) in athletics even though he/she may have maintained a 2.0 GPA and earned twenty (20) credits. Any athlete who becomes scholastically ineligible when administration receives grade reports will be immediately dropped from the team and will not be eligible to receive a letter, an award or physical education credit. All incomplete grades are to be computed as "F" grades until they are officially changed by the teacher of record and duly recorded in the school's records office. A grade change must occur within two weeks of the grading

period. Please refer all questions about athletic eligibility to our Athletic Director, Jeff Bickmore: jbickmore@njuhsd.com

ATTENDANCE

Whenever a student is absent with parental consent for all or part of a school day, the parent is required to explain the absence in person, by telephone, by email, or in writing. Parents may verify an absence by phoning the Attendance Office from 7:30 a.m. to 4:00 p.m. Emails should be sent to Lorita Riedel at riedel@njuhsd.com. Students who present a written excuse to the Attendance Office must be in class before the tardy bell. Notes must be in ink and must include: a) the student's name and ID number; b) grade level; c) date(s) of absence; d) reason for absence; and e) signature of parent or legal guardian with date note was written. All routine medical and dental appointments should be scheduled before or after school whenever possible. **Absences not cleared within three days will turn into cuts and Saturday School will be assigned.** In order to participate in co-curricular or extracurricular activities, the student must be present in school all day on the day of the activity. If the activity occurs on the weekend, the student must be in attendance on that Friday before. Athletic exceptions must be verified in advance by site administration. It is important that students assume responsibility for missing classes.

Early Dismissal – Students who need to leave school during the school day are required to bring a note and present it to their attendance tech or have a parent call stating the reason and the time the student is to be dismissed. An early dismissal will be issued for the student to present to their teacher. **Students must have an early dismissal form in hand prior to leaving campus.**

Homework – May be requested by students and/or parents on the 2nd day of an extended absence for illness. Requests should be directed to the attendance tech. Homework will be ready by 3:45 pm on the following day.

Excessive Absences – Parents can excuse up to 5 absences with a note or phone call. After the 5th absence in a semester, a doctor's note is required. Students are expected to make up excessive absences through Saturday School attendance (one Saturday School session equals a school day missed). Students who establish a pattern of unexcused absences or who have excessive absences, or patterns of missed periods, will be referred to a Student Study Team and/or the Student Attendance Mediation (SAM) process will be initiated. The assistant principal will counsel the student, notify parents and administer disciplinary action as necessary. Absences for school sponsored field trips, athletics, other school activities, or doctor/dentist appointments **with notes from the doctor/dentist**, will not apply to this policy.

"Ditch Days" are **not** authorized by the school. Senior "cut" days will result in loss of senior activities including Senior Prom, Commencement Exercises and the like.

Tardiness – Punctuality is an important life skill. It is important to be on time to class and prepared to work when the bell rings. Students are considered tardy when they enter a classroom during or after the tardy bell. Excessive tardiness and the disruptions that they cause will not be accepted. Tardies will be handled in the following manner per semester:

*Tardy # 1-2: Warning

*Tardy # 3-5: Meeting with Assistant Principal, parent contact, and one hour detention each tardy to be served within a week.

*Tardy # 6-7: Meeting with Assistant Principal, parent contact, and educational intervention as

assigned.

*Tardy # 8: Meeting with parent and student with possible additional educational intervention, Saturday School, and/or behavioral agreement.

*Tardy # 9-10: Referral to Student Attendance Mediation (SAM) and additional Saturday School.

Truancies – Any absence without parental permission or without permission of a school authority for thirty minutes or more from any class constitutes truancy. *Any unexcused absences* will be referred to the assistant principal for assignment of educational intervention, detention, and/or Saturday School.

P.E. Excuses – A note from the parent or doctor should be given directly to the instructor. A parent may excuse up to five days; a doctor's note is needed for a longer period of time. The doctor's note should specify the prohibited and permitted activities as this may increase the potential for student participation and academic success. Notes that indicate "No PE" are discouraged as there may be some level of activity in which a student may engage. If there is a chronic illness or injury, the student's counselor should be contacted to discuss possible solutions.

BULLYING

Bullying is unacceptable at Bear River. We expect teachers, staff and students to immediately report any type of bullying for administrative action.

The four types of bullying behavior:

- **Physical Bullying:** harm to another's body or property
- **Emotional Bullying:** harm to another's self worth
- **Social Bullying:** harm to another's group acceptance
- **Cyber-bullying:** threats made over the internet, including texting and all social media

Bullying may include:

- Calling names or making fun of someone
- Pinching, pushing or shoving
- Taking things away from someone
- Damaging someone's belongings
- Spreading rumors
- Saying or writing nasty things about someone
- Making someone feel uncomfortable or small

If you see or know of someone being bullied, **PLEASE** tell an adult about your concerns.

BUS TRANSPORTATION

Students who take advantage of bus transportation must follow these guidelines:

- Students **must** show their student ID card to the bus driver upon boarding the bus. Failure to do so will result in disciplinary actions including detention, Saturday school and/or loss of bus privileges.
- Students must obey all bus rules.
- All school rules apply. Disorderly conduct or refusal to submit to the authority of the bus driver shall be sufficient reason for a student to be denied bus privileges.

CLEAN CAMPUS

Students are expected to pick up their own trash and are encouraged to help keep the campus clean. Food and drinks (water is allowed) are not allowed in classrooms at any time. The following behavior is prohibited on campus:

- Throwing food
- Stealing from cafeteria or from others
- Pushing/shoving
- Cutting in line
- Students must also place trash and excess food in trash containers. Failure to do so will result in detention, after school or on Saturday, or community service.

CLOSED CAMPUS

Bear River High School is a closed campus, including during lunch time. Once students arrive on campus for the school day, they are required to stay on campus until their school day has concluded. No student is allowed to leave during the school day without an Early Dismissal Slip from the office. Non-Bear River students are not allowed to come on campus without checking in at the Main Office **and** receiving prior permission from an administrator to visit.

CLUBS AND ORGANIZATIONS

Students are strongly encouraged to take advantage of the many opportunities to participate in clubs, athletic teams, performing or competitive groups and student government. Please visit the Student Store for more information.

COMPUTER USE POLICY

The Student Instructional Technology Acceptable Use & Internet Safety Agreement (Terms & Conditions), which is posted on The Bear River High School web page, must be read by both parent/guardian and student before signing the Mandatory Signature Page. You will find the agreement by logging on the Bear River High School website (<http://bearriver.njuhsd.com>), clicking on the Information tab, followed by clicking on Enrollment, and then clicking on Annual Parent Notifications. Parent(s) or legal guardian(s) understand that some material on the Internet may be objectionable, but accept responsibility for the guidance of Internet use and conveyance of standards for the student to follow when selecting, sharing or exploring information and media.

Internet Policy

In exchange for the use of Bear River High School computers, including access to the Internet, the student agrees to the following:

- Network access is a privilege which may be revoked at any time for inappropriate or abusive conduct. This includes, but is not limited to, altering network or workstation files or configurations, the placing of disruptive or unlawful information on or through the computer system, and the use or retrieval of obscene, abusive or otherwise objectionable language or images in either public or private files or messages.
- Students will not use their access to obtain, view, download or otherwise gain access to such materials. Bear River reserves the right to review any material stored in files to which all users have access, and will edit or remove materials which may be unlawful, obscene, pornographic, abusive or otherwise objectionable.
- Violation of the above conditions will result in one or more of the following consequences: immediate loss of privileges, suspension, and recommendation for an expulsion hearing and/or criminal prosecution.

NEVADA JOINT UNION HIGH SCHOOL DISTRICT

9-12 Student Instructional Technology Acceptable Use and Internet Safety Policy

Technology provides a wealth of educational opportunities for staff and students. Access to these vast resources requires responsible use by each individual. It is important that you understand your rights and privileges when using the Nevada Joint Union High School District (NJUHSD) resources in this environment. This document describes the computer, network, and Internet resources made available by the school and your responsibilities and obligations in the use of these resources.

Introduction

NJUHSD is pleased to offer students access to district computers, communications systems, the Internet and an array of technology resources to promote educational excellence. Each student is responsible for their use of technology, whether personal or district-provided. While using district and personal technology resources on or near school property, in school vehicles and at school-sponsored activities, as well as using district technology resources via off-campus remote access, each student must act in an appropriate manner consistent with school, district, and legal guidelines. It is the joint responsibility of school personnel and the parent or guardian of each student to educate the student about appropriate digital citizenship and to establish expectations when using technology.

District technology resources are provided to students to conduct research, complete assignments, and communicate with others in furthering their education. This focus does not allow the use of the network system for commercial, political, or personal entertainment purposes. Students may not offer, provide, or purchase products or services through the NJUHSD network system. The NJUHSD network system has not been established as a public access service or a public forum. Access is a privilege, not a right; as such, general rules of school behavior apply. Access to these services is given to students who agree to act in a considerate and responsible manner. Just as students are responsible for good behavior in a classroom or a school hallway, they must also be responsible when using school computer networks or personal technologies. Students must comply with school standards and honor this agreement to be permitted the use of technology. Disciplinary action may be taken against students for misuse of computer, network, and information resources.

1(Communication systems include e-mail, web sites, blogging, podcasting, forums, wikis, and/or other emerging technologies).

Use of NJUHSD Network

Each student, along with a respective parent/guardian, must sign an Acceptable Use Policy (AUP) Agreement to be granted an account on the NJUHSD network system.

Students will not make deliberate attempts to disrupt or harm the computer system and its hardware or destroy data by spreading computer viruses or by any other means. Use or possession of “hacking” tools are prohibited.

The use of the Internet, school computers, and personally owned devices at school is a privilege, not a right. Inappropriate use will result in cancellation of these privileges and appropriate disciplinary measures.

Students will use their personal server storage to store only files that are educational in nature and related to course work.

Students are expected to maintain their instructional files and media in a responsible manner, which includes backing up files at regular intervals to a memory device and deleting files at the end of the school year.

Students are responsible for their individual accounts and should take all reasonable precautions to prevent others from being able to use their account. Under no conditions should a student provide their password to another person except to a school administrator or parent.

Students will not attempt to log on or connect to the NJUHSD network under any identity other than their own username.

Students will not attempt to gain unauthorized access (including hacking) to the NJUHSD network system or to any other computer system through the NJUHSD network system or go beyond their authorized access. This includes attempting to log in through another person's account or access another person's files. These actions are inappropriate, even if only for the purposes of "browsing" and may result in disciplinary action.

Students will immediately notify a teacher if they have identified a possible security problem.

Students will use school resources (e.g. printers, cameras, etc.) only for educational purposes.

Students are not permitted to connect any personal devices (e.g. laptops, smart phones, etc.) to any part of the NJUHSD network system (wireless or directly plugged) without first gaining approval from the Technology Department.

Students will not download or upload programs or files that can be run or launched.

Use of NJUHSD computers, network, and Internet services does not create any expectation of privacy.

Students should expect routine monitoring of computer usage and Internet browsing while logged on to the NJUHSD network.

Parents have the right to request to see the contents of student files.

Internet Access

All students will have access to the Internet and World Wide Web information resources through computers connected to the network.

NJUHSD actively uses filtering software to meet the Children's Internet Protection Act (CIPA) requirement and to prevent students from accessing graphics that are (1) obscene, (2) pornographic, or (3) harmful to minors. NJUHSD retains the right to block unacceptable web sites. Filtering software is not a perfect science and it may be possible for users to access inappropriate sites.

NJUHSD does not guarantee network functionality or accuracy of information.

Students will not use the NJUHSD network system to access inappropriate material including sites that display profane or obscene (pornography) material, advocates illegal acts, encourages the use of drugs, alcohol or tobacco, school cheating, weapons, material that advocates violence, participation in hate groups, or discrimination towards other people, or other inappropriate activities considered harmful to minors.

If students mistakenly access inappropriate information, they should immediately minimize their screen and tell their teacher. This will protect the student against a claim that they have intentionally violated this Policy.

The use of anonymous proxies to get around content filtering is strictly prohibited and is a direct violation of this agreement.

Only the Internet gateway provided by the school may be accessed while on campus. Connection to third party access points or the establishment of ad-hoc network access via Internet Connection devices (hot-spots, air cards) is not permitted. Please note that students using their device to gain access to the Internet via their cellular (3G/4G) data plan is not filtered.

Use of Messaging Services

A filtered Email account may be provided to students for educational purposes and not as a public or student forum.

Students will promptly disclose to their teacher or other school employee any message or information they receive that is inappropriate or makes them feel uncomfortable while on the web, using e-mail, chat rooms, forums or other forms of messaging services.

Email, if provided, may not be used for unlawful activities, political or commercial purposes, any form of harassment or threats, sending of spam messages or chain letters to more than five people or any use that interferes with the school computing services or its employees.

Students may not send messages with a false identity or alter forwarded mail out of context.

Students will abide by rules of Network etiquette by not using defamatory, inaccurate, abusive, obscene, profane, lewd, vulgar, rude, inflammatory, threatening, disrespectful, or prejudicial language in public or private communication.

Students will not post personal contact information about themselves or other people without parental approval. Personal contact information includes but not limited to names, home, school, parent work addresses, telephone numbers, personal photos or videos.

Students will not repost a message that was sent to them privately without permission of the person who sent them the message.

Students will not post or share information that could cause damage or a danger of disruption to NJUHSD schools or any other organization or person.

Students are prohibited from accessing or attempting to access instant messages, chat rooms, forums, email, social networking sites, or other messaging services during the instructional day unless authorized by a teacher or administrator for instructional purposes.

2 (email, chat, forums, blogs, social networking, instant message, SMS and other forms of messaging services)

Web Applications

Students' use of digital media and environments to communicate and work collaboratively to support individual learning and contribute to the learning of others is a key performance indicator of 21st Century Skills. Students may interact, collaborate, and publish with peers, experts, or others employing a variety of digital environments and media. In a digital environment, students will follow all established Internet safety guidelines including the following conditions:

The use of digital media is considered an extension of your classroom. Any speech that is considered inappropriate in the classroom is also inappropriate in all digital environments. This includes but is not limited to profanity, racist, sexist or discriminatory remarks.

Students using digital media are expected to act safely by keeping ALL personal information out of their posts.

A student should NEVER post personal information on the web (including, but not limited to, last names, personal details including address or phone numbers, or photographs). Do not, under any circumstances, agree to meet someone you have met over the Internet.

Never link to web sites from your digital environment without reading the entire article to ensure it is appropriate for a school setting.

Students using such tools agree to not share their username or password with anyone besides their teachers and parents and treat digital spaces as classroom spaces. Speech that is inappropriate for class is also inappropriate online.

Students who do not abide by these terms and conditions may lose their opportunity to take part in the project and/or be subject to consequences appropriate to misuse according to the school discipline policy.

3 (e-mail, chat, forums, blogs, social networking, instant message, wikis, and other forms of collaborative software)

Teacher Responsibilities

Teachers will provide developmentally appropriate guidance to students as they make use of telecommunications and electronic information resources to conduct research and other studies related to the district curriculum. Classroom use of networked resources will be in support of educational goals. Teachers will provide alternate activities for students who do not have permission to use the Internet.

Cyberbullying

NJUHSD expressly forbids cyberbullying. For the purposes of this policy, “cyber bullying” shall mean using messaging services and/or other digital communication devices to bully others by:

Sending or posting cruel messages or images

Threatening others

Excluding or attempting to exclude others from activities or organizations

Starting or passing on rumors about others or the school system

Harassing or intimidating others

Sending angry, rude or vulgar messages directed at a person or persons privately or to an online group

Sending or posting harmful, untrue or cruel statements about a person to others

Pretending to be someone else and sending or posting material that makes that person look bad or places that person in potential danger

Sending or posting material about a person that contains sensitive, private or embarrassing information, including forwarding private messages or images

Engaging in tricks to solicit embarrassing information that is then made public

Using camera and/or video enabled devices to bully another person or to invade another person’s privacy

Privacy, Plagiarism, Piracy and Copyright Infringement

An image taken by any camera or video enabled device may not be published, broadcast, or transmitted to any other person, by any means, without the knowledge and consent of each person appearing in that image who had a reasonable expectation of privacy at the time the image was recorded or the person who owns the copyright in the material appearing in that image.

Camera and/or video enabled devices may not be used in any classroom without a teacher’s written permission.

Students will not plagiarize works that they find on the Internet. Plagiarism is taking the ideas or writings of others and presenting them as if they were yours. Plagiarism could result in the loss of a grade for the assignment in addition to other consequences.

Students will not download or install pirated software, music, video or files that infringe on copyright laws onto computers. Possession of unlicensed or pirated software is illegal.

Students will respect the rights of copyright owners. Copyright infringement occurs when an individual inappropriately reproduces a work that is protected by a copyright. If a work contains language that specifies appropriate use of that work, one should follow the expressed requirements.

If one is unsure whether or not a work can be used permission should be requested from the copyright owner. Copyright law can be very confusing. If you have questions, ask your teacher.

Use of School Hardware

School hardware should not be left unattended.

In the event of any damage to school hardware at any time while it is in the student’s possession, the student agrees to inform the appropriate NJUHSD Technology Service Center so that repairs can be performed.

If the District reasonably determines that the student has willfully damaged any school hardware, the District reserves the right to apply the liability provisions of Education Code section 48904.4(Hardware systems include laptops, digital camera/video equipment and/or other technologies).

Use of Personally Owned Devices

Each teacher has the discretion to allow and regulate the use of personal devices in the classroom and on specific projects. Beyond specific academic use, electronic devices are prohibited from being used in the classroom setting. Parents should refrain from texting or calling students on their cell phones during the school day. In the event of an emergency, parents can call the office and information can be delivered to the student very quickly. We appreciate the support of our families in regard to maintaining the academic focus of our classroom environments.

Responsibility to keep the device secure rests with the individual owner. The Nevada Joint Union High School District is not liable for any device lost, stolen or damaged, including lost or corrupted data on a device. To use a personal device within the school, students must register it by connecting it to our “Public Wi-Fi”. Students must obtain teacher permission before using a personal device in class, and put it away when requested by the teacher. The school district has the right to collect and examine any device if there is a reason to believe that school policies, regulations, or guidelines on use of the device have been violated.

Consequences

In the event there is a claim that a student has violated this policy in the use of the NJUHSD network system, the student will be provided with a written notice of the suspected violation and an opportunity to present an explanation before an administrator.

If a student is found to have violated this Policy, the consequences will be, but not limited to, warnings, usage restrictions being placed on their network account, or disciplinary action at the discretion of the site administration.

A violation of Federal, State or local laws or ordinances may result in legal proceedings.

NJUHSD Bring Your Own Device Procedures

Nevada Joint Union High School District provides technology that is appropriate and adequate to support instructional purposes. The use of personal devices by students is optional, and students who do not participate in BYOD will not be penalized.

The use of technology to provide educational material is not a necessity but a privilege. A student does not have the right to use his or her laptop or other electronic device while at school, it is a privilege. When abused, privileges will be taken away. Each teacher has the discretion to allow and regulate the use of personal devices in the classroom and on specific projects.

Students and parents/guardians participating in BYOD must adhere to the Bring Your Own Device Usage Agreement, as well as all Board policies, particularly Student Use of Technology Policy (6143.4) and Student Acceptable Use Policy.

Definition of “Device”

For purposes of BYOD, “device” means privately owned wireless and/or portable electronic hand held equipment that includes, but is not limited to, existing and emerging mobile communication systems and smart technologies, portable Internet devices, Personal Digital Assistants (PDAs), or portable information

technology systems that can be used for word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc. Appropriate devices include a laptop, tablet (iPad, Xoom), ereader (Kindle, Nook), or netbook. Please note that cell phones, smart phones, mp3 players (iPods), and other gaming devices (Nintendo DS) are permissible however appropriate classroom management is recommended to make sure students are properly behaving on their electronic devices.

Internet

Only the Internet gateway provided by the school may be accessed while on campus. Connection to third party access points or the establishment of ad-hoc network access via Internet connection devices (hot-spots, air cards) is not permitted. Please note that students using their own device to gain access to the Internet via their own cellular (3G/4G) data plan is not filtered.

Security and Damages

Responsibility to keep the device secure rests with the individual owner. The Nevada Joint Union High School District is not liable for any device lost, stolen or damaged, including lost or corrupted data on a device. If a device is stolen or damaged, it will be handled through the administrative office similar to other personal artifacts that are impacted in similar situations. Please check with your homeowner's policy regarding coverage of personal electronic devices, as many insurance policies can cover loss or damage. Also, if the device has a locator feature, enable it. It is recommended that skins (decals) and other custom touches are used to physically identify your device from others. Additionally, protective cases for technology are encouraged.

Safety

An important component of BYOD will be education about appropriate online behaviors. Teachers will review cyber-safety rules with students throughout the course of the school year, and will offer reminders and reinforcement about safe online behaviors. In addition to the rules outlined in these guidelines, students will be expected to comply with all class and school rules while using personal devices.

Consequences for Inappropriate Use

Inappropriate use or violation of Technology Usage or Safety Policy on personal equipment may also result in disciplinary action in coordination with policies. When a student misuses a device please refer to your electronic device policy in the student handbook.

Students and Parents acknowledge that:

To use a personal device within the school, students must register it by connecting it to our "Public Wi-Fi". Students must obtain teacher permission before using a personal device in class, and put it away when requested by the teacher.

Devices may only be used to access applications, files or Internet sites which are relevant to the classroom curriculum. Devices may not be used for non-instructional purposes, such as making personal voice calls, text/instant messaging, play non-educational games, viewing non-educational videos, or to cheat on assignments or tests.

Devices may not be used to record, transmit or post photographic images or video of a person, or persons on campus during school activities and/or hours, unless otherwise allowed by a teacher.

The district does not guarantee connectivity or quality of connection with personal devices, but will provide directions on how to connect.

The school's network filters will be applied to personal devices connected to the school's Internet gateway. Attempts to bypass the filter will result in disciplinary action.

Printing from personal devices will not be possible at school.

Personal technology is charged prior to bringing it to school and runs off its own battery while at school.

The district is not responsible for the maintenance or repair of any personal technology.

The district is not responsible for any costs incurred due to the use of personal technology.

Bringing on the premises or infecting the network with a virus, Trojan, or program designed to damage, alter, destroy, or provide access to unauthorized data or information is in violation of the Technology Usage Policy. This will result in disciplinary or legal action.

Processing or accessing information on school property related to “hacking,” altering, or bypassing network security policies is in violation of the Technology Usage Policy. This will result in disciplinary or legal action.

The school district has the right to collect and examine any device if there is a reason to believe that school policies, regulations, or guidelines on use of the device have been violated.

COUNSELING AND GUIDANCE

Bear River High School counselors help students understand their abilities, interests, talents and personality so that the student can develop realistic academic and career options. Counselors advise on college majors, admission requirements, entrance exams, and financial aid. Counselors also advise on trade, technical school and apprenticeship programs. Additionally, counselors support students with their social and emotional needs and challenges throughout high school and connect students to services that may be needed.

Students are assigned to counselors, as follows:

Student’s last name (A-K): Katrina Wachs-(kwachs@njuhsd.com)

Student’s last name (L-Z): Kathleen Orchard(korchard@njuhsd.com)

Add/Drop Policy

Any academic changes to a student’s schedule must take place within the first week of the semester.

Teachers may recommend class changes; however, student requests for schedule changes will only be honored based on errors with the schedule, including being placed in the wrong class, having an incomplete schedule or duplicate classes, not meeting a prerequisite for a course, or the schedule not matching the student’s four-year plan (especially for seniors). If a schedule needs to be fixed, the student must submit the “Schedule Fix Form” to the Counseling Department by the end of the first week of the semester.

Withdrawal/Fail

At the end of six weeks, if a student requests to drop a class, or if a teacher recommends that a student drop a class, it is with the following understanding:

- The teacher will conference with the parent/guardian and counselor.
- The student will be assigned to a study period with the same teacher and period.
- The student’s transcript will indicate a W/F (Withdrawal/Failure) for the course for the appropriate semester.
- If a student becomes a discipline problem, appropriate measures will be taken.

DANCES

All Bear River students are required to have their student ID card to enter dances. In order to bring a guest to a Bear River dance, BR students must arrange for the guest pass, which is available at the Student Store and must be submitted by the advertised deadline for approval by the assistant principal prior to the dance. Guests must have a current guest pass and a photo ID. Guests 21 years and older will not be

allowed to attend. The school dress code is enforced (with the exception of spaghetti straps/strapless dresses/formals for Proms) at the dance. Once students leave the dance, they will not be readmitted.

DELIVERIES

Flowers and balloons are not allowed in the classrooms and will not be delivered.

DISCIPLINE POLICY ~ ZERO TOLERANCE/EXPULSION

The Nevada Joint Union High School District has adopted a position of ZERO TOLERANCE on the possession of loaded or unloaded firearms, knives, explosive devices, or any other dangerous weapons, the possession, sale of a controlled substance or alcohol, commits or attempts to commit robbery or extortion, or when a student causes, attempts to cause or threatens to cause serious physical injury to another person. In the event that these or other expellable offenses are committed, the student/parent or guardian will participate in a Principal's Review Meeting. If that meeting results in a recommendation for expulsion, the student/parent or guardian will have the opportunity to participate in an expulsion hearing with district personnel. For information on expellable offenses, please visit the California Department of Education's website: <https://www.cde.ca.gov/ls/ss/se/expulsionrecomm.asp>.

DRESS CODE

Our dress code is designed to ensure student safety and reflect what is appropriate for an educational setting. The following guidelines apply to all students in regard to their apparel at school:

- Clothing and/or jewelry with anti-ethnic, sexist, gang affiliation or hate/violence or neo-Nazi designs or slogans or full-dress military fatigues are not allowed. Printing or pictures depicting drugs, alcohol, or tobacco, or which display profane statements are not acceptable. Wearing such clothing may result in suspension, depending on the severity.
- Clothing that exposes the midsection is not allowed. (Midsection is defined as the area in the middle of the front, sides, and back of the torso.)
- Shorts, skorts, skirts, and dresses must reach mid-thigh.
- Cut-offs should not have holes or be torn and must follow appropriate length guidelines.
- Tank tops with large armholes that extend past the armpit area, spandex-type pants, pajamas, excessively torn clothing, boxer shorts and sleeveless undershirts worn as primary clothing, strapless tops, backless tops, spaghetti straps, halter tops, or transparent clothing are not permissible.
- Shoulder straps must be one inch minimum in width.
- Pants must be worn no lower than the hips.
- Shoes must be worn on the school grounds at all times.
- No spikes shall be worn on hats, clothing, or as jewelry except as a necklace with spikes no longer than 1/4 of an inch.
- Dark glasses are outdoor attire and may not be worn in any classroom. Dark glasses may be worn before school, passing time, lunch, and after school.
- Nevada Joint Union High School District prohibits the presence of any apparel, jewelry, accessory, notebook, or manner of grooming which, by virtue of its color, arrangement, trademark, or other attribute that represents affiliation in gangs, or which advocates drug use, violence, or disruptive behavior.

The dress code is not a punishment, but rather a tool to ensure that education can take place. Please note the dress code is enforced at all school functions including dances, games, and other events.

ELECTRONIC DEVICE POLICY

Cell phones and other electronic devices are brought at a student's own risk and must be kept in a student's backpack, purse, or pocket at all times during class and are to be turned off during class time unless teacher has directed otherwise. Inappropriate use of cell phones/cameras (recording/viewing fights or inappropriate behavior, inappropriate or threatening text messages etc.,) may result in disciplinary action up to and including suspension from school. Students are not permitted to audio or video record staff members without prior permission from that staff member.

1st Occurrence: The teacher sends device to Assistant Principal, AP documents violation, student is issued a warning and is allowed to pick up the item in the office after school.

2nd Occurrence: The teacher sends device to Assistant Principal, AP documents violation, student is assigned one hour detention and is allowed to pick up the item in the office after school.

3rd Occurrence: The teacher sends device to Assistant Principal, AP documents violation, student is issued two hours detention and parent needs to pick up the item in the AP's office.

4th Occurrence: One day of educational intervention is assigned and parent needs to pick up the item in the AP's office after completion of suspension.

FIELD TRIPS

Students who go on a school sanctioned field trip must travel on the school arranged transportation. They may not drive or ride in personal autos without prior approval from an administrator in writing.

FINES/VANDALISM

Any student who defaces school or personal property may have their grades, diploma and/or transcripts held until the pupil or their parent or guardian has paid for the damages.

GRADES

Grades received for the first and third quarters are progress reports and are not part of the permanent record, though they are used to determine Athletic Eligibility. Semester grades (December and June) are permanent grades, which will appear on the student's transcript.

Incompletes

It is the student's responsibility to complete the work to make up an incomplete. If a grade of Incomplete needs to be issued, a written agreement will be made between the teacher, student, and parent through the student's counselor. After six weeks, incompletes become "F's". Athletes, extracurricular participants and students with work permits who receive "I's" have only two weeks to complete work or they become ineligible until the next grading period. Seniors have only the first two weeks of the second semester to make up incompletes for the first semester.

Grade requirements for extracurricular activities

Grades are the top priority and come before extracurricular activities such as drama, sports and work. Therefore, in order to participate, students must maintain a 2.0 GPA. If a student earns two "F's" in a single grading period, they become ineligible to participate in extracurricular activities.

GRADUATION REQUIREMENTS

California state law requires that every person attend school until he/she is 18 years old, completes high school, or passes the California High School Proficiency Examination.

All Bear River graduates must attend BRHS the entire senior school year and complete a senior project. Valedictorians and Salutatorians are determined by the 7th semester weighted GPA. Valedictorians are all students with a 4.0 or above with no distinction in ranking. Seniors with excessive behavior problems or major infractions may not participate in the graduation ceremony at the discretion of the school administration. All seniors must attend graduation rehearsal in order to participate in the ceremony.

HALL PASSES

Students are not permitted to be outside class during an instructional period without a valid teacher or administrative hall pass.

HALL LOCKERS/GYM LOCKERS

Students may be assigned a hall locker as a convenience for school day use. It is strongly recommended that students do not leave valuables in their lockers overnight, over weekends, holidays or vacations. The school is not responsible for items taken from lockers. When dressing down for P.E., students are responsible for locking their lockers to protect their belongings. Students should not share combinations.

HEALTH SERVICES

All students are required to have a current Emergency Information Card completed by a parent on file in the health office. Students who become ill at school should request a pass from their teacher to report to the Health Office. The Health Clerk will make any necessary arrangement for the student to go home.

Medications: All medication brought to school must be in the original prescription bottle and placed in the health office. This includes aspirin and Tylenol. All permission forms from physicians and parents must be renewed at the beginning of each school year. All medications that are to be kept at school for either a daily dosage or emergency use only must have a statement from a physician and a parent giving permission. The school does not accept responsibility for transportation to a medical facility. In case of potential serious physical injury, 911 will be called and the parent will be financially responsible.

ID CARDS

All Bear River students must carry their ID cards at all times. The ID card must be presented when requested by any adult on campus and when riding the bus. Failure to do so could result in educational intervention and parent contact. If a student loses his or her ID card, a replacement card can be obtained in the Student Store for \$5.

INSURANCE

Nevada Joint Union High School District does not carry accident or injury insurance on any student; the responsibility for this protection lies with the parents/guardians. Low cost insurance is available and is recommended. *Students participating in interscholastic sports are required by state law to have medical insurance.*

TEXTBOOKS & CLASS-SET NOVELS

New textbooks can cost \$100+ and novels can cost \$20+ thus making it particularly important for students and their families to understand how to properly care for their textbooks and novels to avoid paying replacement costs. Once a textbook/novel is checked out to a student, that student is responsible for returning it by the due date and in the condition in which it was checked out.

- Ed code 48904(b) Once the book is checked out to a student, the student and parent/guardian are responsible for replacement costs. The collected funds are returned to the specific department to allow that department to purchase replacement books and materials.

To care for and keep track of textbooks/novels checked out to you:

- Write your name on the inside cover so you don't accidentally switch with another student
- Cover it (tutorial video on the library website on "Our Favorite Online Tools" tab or here)

- Keep it away from food and drink; keep it dry and clean
- DO NOT write in or on textbook/novel
- Use bookmarks rather than bending pages
- Keep it in a safe, secure place when you are not using it
- Return as soon as you are no longer using it for class

When returning a textbook/novel:

- Remove all foreign objects: papers, post-its, clips, covers, etc.
- Unfold any folded or dog-eared pages
- Erase any pencil marks in/on book
- Return books on or before their due date (or as soon as your class is finished using it)

Some common reasons for textbook/novel fees:

- Liquid/food damage
- Mold
- Irreparable damage to cover
- Missing pages
- Item is not returned and is considered “Lost”
 - This can often happen if students accidentally switch books, leave in classrooms or lockers. Always return items directly to Library staff to ensure the correct item is returned

If you have any questions or concerns, don’t hesitate to contact Library staff.

- If you believe there may be a mistake on a student account, we are happy to investigate
- We can set up a payment plan if requested
- We will work with you on finding solutions; please just contact us so we can work with you

Students are encouraged to get a full night's sleep and come prepared to do their best.

THEFT

Students are directed to report all incidents of theft to the School Resource Officer and complete a *Theft/Vandalism Report Form* as quickly as possible after the theft has been discovered. If the reported property is recovered, all reasonable efforts will be made to return the item(s) to the rightful owner.

TOBACCO PROHIBITED

This prohibition applies to all students, employees, visitors and other persons visiting a school, the district office or an activity. Any student violation of the tobacco policy will result in enrollment in a tobacco cessation program, educational intervention, and assignment to Saturday School.

VIDEO SURVEILLANCE
