Didn't find what you're looking for? There are over **13,000** experiences described on www.teenlife.com. This is a free comprehensive searchable database of summer and gap year programs, community service opportunities, college tips and more.

Tips and suggestions:

- **Take advantage of your summer/winter break...** Learn something, make friends, enjoy the experience. Colleges/universities pay attention to what you do with your free time.
- **Apply broadly...** You go through all the work and effort to complete one application, why not do two or more? This may leave you with more options to choose from.
- **Mind deadlines...** Does the application need to be postmarked or received by the deadline?
- **Ask recommenders EARLY...** Complete a "brag sheet" (located in the NJUHSD Counseling Handbook) and email to each of your recommenders.
- **Thanks!...** Send a thank you message to people who wrote a letter on your behalf.
