Bear River HS, C127

COURSE DESCRIPTION

Frosh Tech is a survey class that explores technology, Google & Adobe programs, Digital Media Arts, and Computer Science. Students will learn through hands-on projects and online assignments in the computer lab. This class is largely self-paced.

GRADING

I will be posting grades through **Schoology.com**. You may also come to me to find out your grade. Grades are based on the following scale:

A ~ 90%-100%; B ~ 80%-89%; C ~ 70%-79%; D ~ 60%-69%; F ~ Below 60%

EXPECTATIONS

- **Deadlines are met on time.** Work missed because of an excused absence may be submitted after a period of time proportional to the absence length.
- **Students are allowed only 5 non-medical absences.** Beyond that, there is no extra time given for past due work. (Family vacations are not excused absences.)
- Students are in class on time, with the materials to learn and a good attitude.
- Errands are taken care of **during the passing period. No exceptions.**
- The classroom is kept clean; computer equipment is respected.
- Other students and their property are respected.
- Students follow school rules and policies.

LATE WORK

Any late assignments must be turned in before major grading periods. (Interim progress reports, quarters and semesters.)

BATHROOM POLICY

Students must utilize the passing period for bathroom trips. I will allow **5 bathroom visits per semester**. Students may "cash in" unused bathroom visits for extra credit at the end of each semester.

CELL PHONE POLICY

Cell phone use is **NOT** allowed during class. **Devices must remain in backpacks and purses for the entire period.** Failure to comply will result in the following...

1st offense: Phone taken for the duration of the period with a warning.

2nd offense: Phone sent to office for duration of the day.

3rd offense: Phone sent to office and parent contact

VIDEO GAME POLICY

Video games are **NEVER** allowed in class. This includes typing.com games that do not help toward benchmark goals. **Students caught playing video games on any device will result in parent contact.**

COMMENTS OR QUESTIONS?

Feel free to email Mrs. Levinson! :)
